  - Renewed anti-virus software

## **2012 Plan**

Media department hopes to recruit and train more volunteers and provide ministry and serving opportunities in these areas:

- Remove budget for design and printing of media (posters, flyers, banners) and shift to individual departments (Children, Missions, Pastors, Fellowship, etc.)
- Videography and Photography Volunteers to cover weekly sermons & special events (Taiwanese, Mandarin, English congregations.)
- Training volunteers to use new PTZ robotic multi-camera recording system.
- Continue website maintenance & integrate social media for ministry (Twitter, Facebook.)
- Continue 3<sup>rd</sup> party IT contract support (hardware & software)
- Upgrade campus WiFi coverage (internet and intranet) to entire campus
- Replace aging, costly LCD projectors with low-cost flat panel monitors for classrooms, starting with the larger multipurpose rooms first.
